List of Publications of Francesco Picano

Papers in international journals (peer reviewed)

Proceedings or abstracts of International Conferences

108. F. Battista, F. Picano, G. Troiani, C. M. Casciola Turbulence-Combustion Interaction in H2-CO/Air

National Conference Proceedings:

Troiani, F. Battista, F. Picano, C.M. Casciola. *Front evolution and flame stretch in a turbulent premixed bunsen flame*, 35th Meeting on Combustion of Italian Combustion Institute, Milan, October 2012

SCHLATTER P., BRANDT L., SARDINA G., PICANO F., CASCIOLA C.M.,. *Large-scale accumulation of inertial particles in turbulent channel flow* XXIII Nordic seminar on computational mechanics, Stockholm 20-22/10/2010
